### **Jade Signature, Upper Penthouse**

Set within Jade Signature, a 57-story condominium in Sunny Isles that was designed by Pritzker Prize–winning architects Herzog & de Meuron, the Upper Penthouse hit the market in late March. Spread over two floors, the six-bedroom home has 360 degree views of the ocean, city, and Intracoastal Waterway. It comes fully furnished and features contemporary pieces from designers such as Minotti and Fendi, and design details such as polished metals and walnut millwork. Additional highlights include extensive terraces (one has a pool), a double-size living room, in-unit gym and spa with steam and sauna, and an elevator. Jade Signature features amenities such a gym, Tata Harper spa, playroom, tech lounge for older children, game lounge, library, and wine bar.
